

Presentation Principles

Objective:

To synthesize and share what you have learned over the past two weeks.

Activity Guidelines:

- ◆ You have 5 minutes to make your presentation (*All mentors will be asked to stop their presentation if they exceed 5 minutes*).
- ◆ Your presentation should represent material you've learned on-line, in readings and in class observations and be presented in the context of your Ideal Classroom.
- ◆ We encourage you to be as creative as possible in your presentations. You can use props, music, dance, art, etc. Materials can be used from your school site AmeriCorps classroom.
- ◆ Presentations should not be in Power Point format.
- ◆ Be engaging to your audience.
- ◆ Please use appropriate behavior when presenting.
